A contravention of these obligations, as detailed at points 1, 2, 4, 5, 6 or 8 below does not constitute an offence but may constitute behaviour for which health, conduct or performance action may be taken by the Board. Registered health practitioners are also obligated to meet the requirements of their Board as established in registration standards, codes and guidelines.

Continuing professional development

1. A registered health practitioner must undertake the continuing professional development required by an approved registration standard for the health profession in which the practitioner is registered.

Professional indemnity insurance arrangements

2. A registered health practitioner must not practise the health profession in which the practitioner is registered unless appropriate professional indemnity insurance arrangements are in force in relation to the practitioner’s practice of the profession.

3. A National Board may, at any time by written notice, require a registered health practitioner registered by the Board to give the Board evidence of the appropriate professional indemnity insurance arrangements that are in force in relation to the practitioner’s practice of the profession.

4. A registered health practitioner must not, without reasonable excuse, fail to comply with a written notice given to the practitioner under point 3 above.

Notice of certain events

5. A registered health practitioner must, within 7 days after becoming aware that a relevant event has occurred in relation to the practitioner, give the National Board that registered the practitioner written notice of the event. Relevant event means—

a) the practitioner is charged, whether in a participating jurisdiction or elsewhere, with an offence punishable by 12 months imprisonment or more; or

b) the practitioner is convicted of or the subject of a finding of guilt for an offence, whether in a participating jurisdiction or elsewhere, punishable by imprisonment; or

c) appropriate professional indemnity insurance arrangements are no longer in place in relation to the practitioner’s practice of the profession; or

d) the practitioner’s right to practise at a hospital or another facility at which health services are provided is withdrawn or restricted because of the practitioner’s conduct, professional performance or health; or

e) the practitioner’s billing privileges are withdrawn or restricted under the Human Services (Medicare) Act 1973 (Cth) because of the practitioner’s conduct, professional performance or health; or

f) the practitioner’s authority under a law of a State or Territory to administer, obtain, possess, prescribe, sell, supply or use a scheduled medicine or class of scheduled medicines is cancelled or restricted; or

g) a complaint is made about the practitioner to the following entities—

(i) the chief executive officer under the Human Services (Medicare) Act 1973 (Cth);

(ii) an entity performing functions under the Health Insurance Act 1973 (Cth); or

(iii) the Secretary within the meaning of the National Health Act 1953 (Cth); or

(iv) the Secretary to the Department in which the Migration Act 1958 (Cth) is administered; or

(v) another Commonwealth, State or Territory entity having functions relating to professional services provided by health practitioners or the regulation of health practitioners.

h) the practitioner’s registration under the law of another country that provides for the registration of health practitioners is suspended or cancelled or made subject to a condition or another restriction.

Change in principal place of practice, address or name

6. A registered health practitioner must, within 30 days of any of the following changes happening, give the National Board that registered the practitioner written notice of the change and any evidence providing proof of the change required by the Board—

a) a change in the practitioner’s principal place of practice;

b) a change in the address provided by the registered health practitioner as the address the Board should use in corresponding with the practitioner; or

c) a change in the practitioner’s name.

Employer’s details

7. A National Board may, at any time by written notice given to a health practitioner registered by the Board, ask the practitioner to give the Board the following information—

a) information about whether the practitioner is employed by another entity;

b) if the practitioner is employed by another entity—

(i) the name of the practitioner’s employer; and

(ii) the address and other contact details of the practitioner’s employer.
